

January 23, 2009

Dear Parent,

Please work with your child to select a first, second, and third choice elective for both 6th and 7th periods from the list of electives below. A brief description of each elective is given on the reverse side of this form. Every effort will be made to provide a student his/her first or second choice. In rare cases, it may be necessary to provide a student with his/her third choice of electives. This form is due back to your student's homeroom teacher by Tuesday, January 27. Please be aware that preference is given to students based on the date this form is returned to your student's homeroom teacher.

Winter, 2009 Electives

6th Period Electives

- Art – A variety of art related topics are covered in this class. Students come away with a greater appreciation for the various mediums of artistic expression. This is a semester-long elective.
- Band – This class focuses on preparing students to work together as a group in preparing for a major performance using their talents with a variety of instruments. This is a year-long elective.
- Choir – This is a year-long elective focusing on vocal quality in preparation for several concert events.
- PE – This class focuses on exercise and physical development. This is a semester-long elective. One semester of PE is required of all students.
- Study Hall – Study hall is provided for students who may need additional time to complete daily assignments. This is a pass/fail semester-long elective.

7th Period Electives

- Digital Photography – This class provides students the opportunity to learn the many creative uses for a digital camera. There is a \$20 materials fee and a digital camera is required for this class. This is a semester-long elective.
- Drama - Creative drama, speech, listening, and oral interpretation will provide students with a wide range of communication experiences through which they can learn to interact successfully with and in front of others. This is a semester-long elective.
- Fiber Arts – This class explores the various uses of both natural and synthetic fibers. It is a hands-on class teaching beginning knitting, crocheting, rug hooking, and needle felting. There is a \$20 materials fee for this class. This is a semester-long elective.
- Life Skills – The class focuses on developing skills that will help students be successful in everyday life. Topics include: money and stress management, organizational skills, decision-making, etc.
- PE – This class focuses on exercise and physical development. This is a semester long-elective. One semester of PE is required of all students.
