

NEW HOPE CHRISTIAN CAMPUS
EMERGENCY FOOD KIT

Dear Parents:

As part of our emergency management plan, we ask each student to bring an “emergency food kit” during the first week of school. These packets will be kept here on campus to be used in the unlikely event that a natural disaster occurs. The packets will be returned at the end of the school year to the students. **Please do not include additional food items, as storage can become a problem if the packets get too bulky.**

Standard Emergency Kit Supplies:

- 1 bag of ready to eat nuts or beef jerky**
- 2 boxes or cans of fruit juice (small)**
- 1 small pudding (5oz.) pre-made or can of fruit (plastic spoon or fork)**
- 1 small box of cereal (individual size)**
- 1 granola bar**
- 1 candy bar**
- 1 large, heavy-duty plastic trash bag**
- Family Picture (optional)**

All kits will be stored in the classroom and need to be clearly labeled. Please include the information below in the kit. All items should be sealed in a clear, plastic zip lock bag. Thanks so much for your cooperation. The safety and well being of the students is of utmost importance to us.

(Please place inside kit)

Student's name _____

Date of birth _____ / _____ / _____ Boy ___ Girl _____
