

SSCS is Mission Motivated!

Do you know what our mission is at SSCS? Do you know if we are accomplishing that mission and truly making a difference in the lives of our students?

There is evidence that our mission of, "Challenging our students to grow in faith, knowledge and skill," is working and we invite you to come and get an inside look at how that takes place. Give us one hour and we promise you will go away with a renewed enthusiasm about your decision to partner with us at SSCS.
